

A day not to be missed!

You are the happy owner of a Mercedes 190 SL.
1955 corresponds to its year of birth; yes already 70 years!
And it continues to inspire admiration.

We will celebrate this anniversary!

The club Mercedes 190 SL France offers a meeting in the region of
Dijon, at the Château de Beauregard, whose friendly owners
will receive us in their beautiful and authentic charming house, with a park
to accommodate all our cars.

The party will take place on **Sunday, June 15** for a rural lunch, in the middle of more
70 Mercedes more beautiful than the other!

For those who wish to arrive the day before, we
propose a package on **Saturday, June 14** with accommodation and
dinner, in a beautiful establishment in Dijon, the hotel "*Ibis Style Beauregard*" that
we privatize and this in a friendly and festive atmosphere.

For the crews present on Saturday, a bucolic route recommended (in 190SL of
course) will allow you to join on Sunday morning
Beauregard Castle in celebration.

Everything will be organized to make this event dazzling and unforgettable: places
magnificent, surprise gifts with raffle, gastronomy and wines worthy of the
region and discovery of beautiful small roads of Burgundy.

Happy owners of this beautiful star, affiliated or not to a club, by your presence, we
will make
this anniversary day an unforgettable moment to share our passion.
